**EQUIPMENT PROTECTION COVERAGE**

GTR’s equipment protection coverage is designed to protect you from loss or damage to the equipment you have rented. In exchange for the equipment protection fee you shall not be liable to George’s Tool Rental, Inc. for loss or damage to the equipment, except for loss or damage from the following (for which you shall be responsible):

- Theft, vandalism or malicious mischief and/or loss due to mysterious disappearance or conversion by a person entrusted with equipment
- Overloading, exceeding rated capacity, misuse, abuse, or improper servicing of the equipment
- Failure to properly secure or pack the equipment for transporting
- As the result of your violation of any of the terms of this agreement, provided that you have taken reasonable precautions to protect equipment and promptly submit a written police report where applicable.

The cost of this Protection Coverage is 14 percent of the total rental for all rented equipment. When you compare our protection charge to the cost of insuring rented equipment under a contractor equipment floater policy, we believe you will find that our charge is nominal, particularly since you are paying for this protection only for the period you rented the equipment.

\_\_\_\_\_ **YES** I/we would like to be included in the GTR Equipment Protection Coverage.

\_\_\_\_\_ **NO** I/we do not want to be included in the GTR Equipment Protection Coverage.

(To waive our Equipment Protection Coverage, you **MUST** provide a certificate of insurance naming George’s Tool Rental, Inc. as additional insured and loss payee with a minimum \$1,000,000 general liability and \$100,000 equipment coverage.)

I have reviewed the above Equipment Protection Coverage carefully, and understand and agree to its terms and conditions in accordance with my selection of participation in the program. I agree to be legally bound by the contents of this document, signed in my capacity as an authorized signer on behalf of the entity which I represent.
